**Brief Summary and Statement of Need:**

Repair damaged areas due to the September 2022 Alaska Western coastal storm. Funding from the Federal Highway Administration (FHWA) is available to repair and reconstruct damage resulting from this natural disaster. These funds would provide the department with a vital tool in combating the effects of the storm and provide a major benefit to Alaska residents and communities impacted by this unforeseen event.

On September 17, 2022 Governor Dunleavy issued a disaster declaration for the storm hitting Western Alaska.
